Dear SenioRx Participant:

Thank you for your interest in the Louisiana SenioRx Program. Enclosed are the enrollment forms we need to process your application for medication.

If you need assistance, or have any questions, you may call us or have a friend or relative call for you. Locally, the number is 318-484-2260. Outside of Rapides Parish, please call 1-800-454-9573.

ALL requested information on these forms must be completed for us to process your application (other than the drug manufacturer, of course). If the forms are not complete, we will have to send them back to you and it will take longer for you to receive your medication.

You should list only the medicines that you take right now. If your doctor changes any of your medications, let us know right away; give us a call, so we can update your records.

The drug companies generally send out a 90 day supply. We will keep track of your refills for you. We will send your refill paperwork 100 days after your initial paperwork is filed. You can still call our office if you are unsure of when you will receive refill paper work from us.

If you have any questions, please give us a call. We are glad to help you get your medications free or at a greatly reduced cost.

Sincerely,

SenioRx Staff
